PLAINTIFF'S SUPPLEMENTAL DISCLOSURE STATEMENT

PLEASE TAKE NOTICE, that, pursuant to Rule 26 of the Federal Rules of Civil Procedure, Plaintiff(s), by their attorneys, make and supplement their disclosures as follows.

These disclosures are made subject to all objections as to competence, materiality, relevance, or other objections as to admissibility that may apply in the event that any such response, or the information contained in it, is sought to be used in court. Plaintiff(s) expressly reserve all such objections.

A. Rule 26(a)(1)(A): The name and, if known, the address and telephone number of each individual likely to have discoverable information that the disclosing party may use to support its claims or defenses, unless solely for impeachment, identifying the subjects of the information.

Discovery and investigation in this action is ongoing. Based on the information reasonably available, Plaintiff(s) are unable at the present time to identify each and every individual who would

have discoverable information that Plaintiff(s) may use to support their claims or defenses in this case, and the subjects of such information. Plaintiff(s) reserve the right to supplement these disclosures as they become aware of additional individuals who have such information.
